Made some changes. I'd like the new info to be focus up front, and don't be afraid to remove old info. See my revisions.

Hi Pete:

To make this easier to review, I bolded the new items that I added from today's call.

Question: Is the SITREP and IAP from Farmington posted someplace? I could not find it today.

Let me know if you want to go over this with me. Thanks!

Mary T. Aycock
